**INVITATION LETTER**

***supporting the application of Dr Kęstutis Aidas for an STSM fellowship with COST action  
CM1405: Molecules in Motion (CM1405)***

To:  
Kęstutis Aidas  
Senior researcher, lecturer  
Dept. of General Physics and Spectroscopy  
Faculty of Physics, Vilnius University

*Dear Kęstutis,*

*I hereby invite you to Cagliari University - in case your application to the STSM fellowship program within the COST action MOLIM will be successful - to work in my group on a project concerning the "Modelling quadrupolar  $^{35/37}\text{Cl}$  NMR relaxation of ionic liquid 1-decyl-3-methylimidazolium chloride using molecular dynamics/quantum mechanics approaches".*

*You will have full access to the computer network and infrastructure of the department and I will be pleased to collaborate with you on this important project.*

Sincerely,

---

Prof. Francesca Mocci
