

8 December 2018

Prof. Dr. Attila G. Császár,
Institute of Chemistry,
Eotvos University,
Budapest, Pazmany Peter setany 1/A
Hungary, H-1117,
Romania

Dear Attila,

It is my pleasure to invite you visit my group in the Department of Physics and Astronomy at University College London during January 2019. During your visit you will work on various joint project related to MOLIM including the spectroscopy of water and H_3^+ .

Best wishes,

A handwritten signature in black ink, which appears to read 'Jonathan Tennyson', is written in a cursive style. The signature is positioned below the text 'Best wishes,'.
