Bologna, the 20th of January 2019

Dear Majdi,

It is my pleasure to invite you to visit my group at the University of Bologna during February 2019. During your visit, we will discuss the ongoing projects between our groups and related to MOLIM Action activities. For instance, we will finalize the paper on HCO⁺ rovibrational spectroscopy of astrophysical interest.

Sincerely yours,

Prof. Cristina Puzzarini
