Dear Dr. Milovanovic,

Following our correspondence, I am glad to formally invite you to visit my Group and stay with us over a period of 2-3 weeks, starting February 28, 2017. This will allow to initiate the interesting research programme you are presenting, and hence foster collaborative research with the group of Professor Stanka Jerosimić (University of Belgrade, Serbia). I will then strongly support any possibility of being financed by the Molim Cost action of which I am a committee member.

Looking forward to hearing from you.

With my best regards,

A.J.C. Varandas
Professor of Chemistry
