Letter of invitation

16.02.2017

Dear Alec Owens,

herewith, I invite you to visit my research group at the Center for Free-Electron Laser Science, DESY and Universität Hamburg, Germany, for a period of one month in April 2017. You will work with Dr. Andrey Yachmenev on the project "Quantum mechanical modeling of molecule-field interactions using RichMol".

I look forward to collaborating with you here in Hamburg.

With best regards,
