**COST MOLIM 2018, STSM (Short term scientific mission)
Research stay at ETH Zurich in the period 19 February – 26 February 2018**

Dear Dr. Thanopoulos,

We herewith invite you to a research stay in our group at ETH Zürich in the above mentioned period (the dates might be slightly adjusted, if needed). The goal of the stay will be the investigation of the dynamics of aerosol particles in optical traps, using FDTD and related program packages.

Best wishes

Ruth Signorell
