RUA LARGA – P-3004-535 COIMBRA (PORTUGAL)

To whom it may concern

I support graduate student Emilie Wolff-Sneedorff visit to our laboratory at University of Coimbra, Portugal for the period 12<sup>th</sup> to 24<sup>th</sup> January 2019. During the visit Emilie will use our unique matrix-isolation spectroscopy set-ups to study conformational switching via excitation of distant NH-stretching overtone vibrations.

Coimbra, 21<sup>st</sup> December 2018

A handwritten signature in black ink, appearing to read 'Rui Fausto'.

Rui Fausto, Professor  
*Director of the Coimbra Chemistry Research Center*  
*Department of Chemistry, University of Coimbra*
